

Déterminer graphiquement l'équation de la droite sous la forme $y = mx + p$:

$y = \dots\dots\dots$

$y = \dots\dots\dots$

$y = \dots\dots\dots$

$y = \dots\dots\dots$

$y = \dots\dots\dots$

$y = \dots\dots\dots$

$y = \dots\dots\dots$

$y = \dots\dots\dots$

$y = \dots\dots\dots$

$y = \dots\dots\dots$

$y = \dots\dots\dots$

$y = \dots\dots\dots$

$y = \dots\dots\dots$

$y = \dots\dots\dots$

$y = \dots\dots\dots$

$y = \dots\dots\dots$
